

Month: February

Early Chatter Matters - from bump to birth & beyond

This activity has been designed to support the *I CAN Chatterbox Challenge* for making the *Guinness World Record™* for the largest game of *Head, Shoulders, Knees and Toes* on March 1st 2011.

Instructions: These materials can be used to support rehearsals for pupils who require support to read text as well as allow pupils who use symbols for all communication to join in.

Page 2: Symbol song sheet

A symbol supported song sheet to help struggling readers sing along with the words. Point to the symbols as you sing.

Page 3: Communication board

This page can be printed and used by students with speech difficulties to help them join in with the singing. It can also be used as a visual prompt by support staff to help participants join along with the action part of the song.

Page 4, 5 and 6: Communication cards

These can be printed and laminated to use as visual cue cards as well as to support the activity by introducing and reinforcing the concepts and vocabulary before joining in on the song.

Go Talk 9: (separate download)

This grid can be printed, cut out and used within the Go Talk 9 communication device.

Ideas for use include:

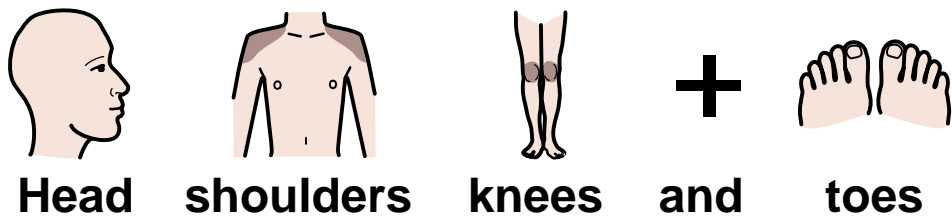

Print the symbol cards twice, cut them out and play Snap games

Print the symbol cards twice, cut them out and play Memory games

Print the symbol and words only cards, cut them out and match symbol to word

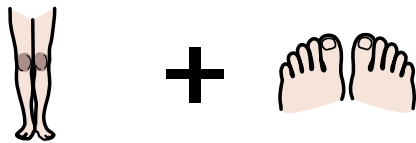

Resource produced in conjunction with CENMAC for the 'Hello' campaign.
Many thanks for their original idea.
